Scott Gilpin demonstrates a horse-drawn plow, at the Georgian Bay Steam Show and Farm Demonstration Festival in Cookstown, Aug. 3.

Antique and classic cars, tractors, tractor pulls, horse-drawn plowing demos, old tyme music -

The Georgian Bay Steam Show & Farm Demonstration Festival brought it all to the Georgian Bay Steam Club's grounds in Cookstown, on the Civic Holiday weekend, August 2 to 5.

In addition to the displays of vintage cars and tractors - this year, the featured tractor was Cockshutt, manufactured in Brantford, Ontario,

from 1946 to 1961 - the Steam Show also offered visitors an opportunity to view working models of engines, farm demonstrations that included plowing and threshing, and pioneer crafts, plus a daily Pancake Breakfast, vendors' market, auction, and live entertainment.  
But the "stars" of the Show, as always,

were the steam engines.  
From quarter-scale working models, to full-sized restored machines that once revolutionized threshing and other farming activities, the steam engines attracted crowds, as their owners and operators stoked the boilers and sounded the steam

# A proposal for 'Community Transit' presented to Council

In September of 2012, Darren Parberry, head of Metis Transportation Ltd., came before Innesfil Council to present his company's vision for a community-based public transit system, entirely supported by fares and advertising revenues - with no municipal subsidies.

At the time, he was asked if Metis Transportation was running a bus service in any municipality; he replied that he hoped to start up in

Peterborough County "this year."

On August 6, 2013, nearly one year later, Parberry came before Bradford West Gwillimbury Council, with the same pitch for a "unique process of public transit," that would involve surveying the public to determine ridership and preferred routes, "before we put the buses out."

Again, he promised that the system would be self-supporting - 50% to come from cash fares, 50% from advertising revenues from local businesses - and told Council that all he was asking was "very plain, very simple. All we're asking for is a letter of support, to bring transit to Bradford

West Gwillimbury." Nine other municipalities have issued letters of support, he said.

"Our Town has done some work on transit. We're now at the stage of an RFP for vehicles," Mayor Doug White pointed out. "How would your proposal fit in?"

"We're going to give you another option. You don't have to go to RFP," Parberry replied, adding that he would not look at the studies already completed by the Town, but go directly to "the people, to find out what they want. I won't assume anything to begin with."

When Councillor Carl Hordyk asked, "Are you running in any municipalities?"

Parberry replied that Metis Transportation would start up in Peterborough County later this year.

Asked if he could provide the names of any transit companies successfully using his "community model," Parberry said "no - it's the culmination of numerous transit companies... It's pretty well everybody - we're just taking what works and what doesn't." He went on to mention York Region Transit, and the TTC - both of which rely on subsidies.

"I'm a little bit skeptical you can pull it off," said Mayor White, noting that the Town's calculations suggest that even with gas tax revenues, the system will need to be

subsidized to the tune of hundreds of thousands of dollars a year. "You are basically saying to us that you can run a bus company without any subsidy... which frankly seems a little too good to be true."

Council was told that the secret was advertising revenues - "lots of little bits" from local companies, rather than relying on 1 or 2 large advertisers.

Parberry was thanked for his presentation.

## Aggravated assault

South Simcoe Police are investigating an alleged Aggravated Assault reported to have occurred at the Village Inn Hotel and bar at 2 Holland St. East in Bradford on July 31, at about 8 p.m. A 64 year old male was taken to hospital with life-threatening injuries, where he remains in critical condition. Police are investigating, and ask that any witnesses come forward, and contact South Simcoe Police Detective Smith at 905-775-3311 ext. 1009 - or to remain anonymous, contact Crime Stoppers of Simcoe, Dufferin-Muskoka at 1-800-222-TIPS.

## Fail to Stop for police

A South Simcoe Police officer on general patrol near the Police BWG on County Rd. 27, at about 3:45 p.m. on Aug. 4, observed a vehicle travelling in the opposite direction at a high rate of speed, passing several vehicles. The officer turned around to pursue the suspect vehicle - which fled the scene. A short pursuit ensued, but was called off for safety reasons. The suspect vehicle was later located in a roadside ditch; the driver had fled on foot. The K-9 unit was called to the scene, but was unable to track the driver.

The vehicle has been seized and investigation is ongoing. Anyone with information is asked to call Police at 905-775-3311 or Crime Stoppers, 1-800-222-TIPS.

## Break in suspect nabbed

On June 15, South Simcoe Police were called to the Danube Seniors Leisure Centre on Simcoe Rd., to a report of an audible alarm - and discovered that someone had attempted to break into the building. A rear windows had

## Sinkhole on Hwy. 400

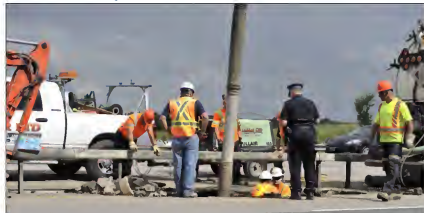

Photo by Mark Wanzel, QMI Agency

Ministry of Transportation crews were hard at work on Aug. 1, carrying out repairs on Highway 400 just north of 88 in Bradford West Gwillimbury. Initially, the problem was described as a "sinkhole" - but in fact, says MTO spokesperson Astrid Poiel, monitoring of the 400 discovered the potential problem before a sinkhole could open up.

About 8 a.m. on Aug. 1, a depression in the asphalt was observed in the left southbound lane. Crews blocked off the area and excavated - discovering a 3 metre-wide cavity that extended into the northbound left lane. The cavity measured a metre in depth, at its deepest, and appeared to be related to the presence of a culvert that passed underneath the 400.

MTO repair crews excavated, fixed the box culvert, and had temporarily repaired the road by 11 p.m. on the Thursday, reopening all lanes of traffic. Lanes were closed again on Friday to permit repaving. "Something like this is very rare," said Poiel. Asked if there had been other instances, she said "This is probably the first time, in the last 3 years" that a sinkhole had developed on an MTO highway within the Greater Toronto Area or York-Simcoe.

## CIP grants approved

Bradford West Gwillimbury Council has approved the first two formal grant applications, under its Community Improvement Plan programs.

The first application was filed by Simpson Elson Group, for a new 5,110 sq. m. industrial building, adjacent to Arroy Bradford, in the Reagens Industrial Park. The application was received on May 31 - and on August 6, Council approved a Development Charges grant of \$847,703.59, and Building and Planning Fee grants of \$35,642.88, for a total of \$883,346.

Council also approved grants under the Downtown Bradford Revitalization Program, for Skwarciuk Funeral Homes. The Funeral Home has approval for a 1003.02 sq. m. expansion, and will receive a total of \$51,280 in grants, through building improvement and Development Charges granting programs. The money will come from the \$250,000 Reserve already

established by the Town, leaving \$198,719 for other applications, such as commercial renovations and facade improvements.

"The steps this Council is taking are really going to benefit the Town in the long term," said Councillor Peter Dykile Jr. "Kickstart our industrial as well as our commercial base."

For more information on Community Improvement Plan grants, contact Paul Pirri at the Town's Office of Economic Development.

## Raising the Rainbow Flag

The Rainbow Flag was raised over Bradford West Gwillimbury on August 6, to mark Pride Week in Simcoe County, and in the Town, August 2 to 10.

"Every time we've been asked, we've raised it (the flag). But this is the first time there's been a celebration," noted BWG Mayor Doug White, who was joined by members of Pride Simcoe, and by Councillor Del Drake, in front of the Bradford Courthouse.

Pride Simcoe chose the week of Aug. 2-10 for its Pride Week celebrations, to avoid conflict with the larger event in Toronto. The goal, said Board member Mark Cameron, was to inspire and support members of the Lesbian,

Gay, Bisexual and Transgendered communities, with the 10 flag-raising and other events planned in the County. "Hopefully, people will reach out," Cameron said. "At the end of the day, it's a human rights issue."

Mayor White said he was proud to be "born and raised in a country where you have the right to be yourself. Canada's a place that welcomes all; Ontario's a place that welcomes all, and Bradford's a place that welcomes all."

He added, "I would explain the rainbow flag to my daughters: Love everybody, care for everybody."

The flag was raised, to applause.

### 404 Extension is needed

To the editor: I appreciated The Times' editorial regarding the Bradford Bridge, especially as a former street construction worker in my college years, where I worked in similar unenviable job sites.

More importantly, I appreciate it as a critic of the current government.

When we moved to Bradford 10 years ago, there was regular talk of the noise barrier wall for the 404 extension going through the northern sections of Bradford, and general discussion as to how badly this extension was needed to improve traffic flow on the 400, and reduce it on our local streets and highways... and then the Liberals took office.

Granted that other governments have done similar things, but since the Liberals did it, they take the blame. I've shared the project for some time, then suddenly redirected the highway into Georgia. I fully believe that this was a classic case of a government killing a project for no other reason than it was started by the "other" government, in a riding that was still Conservative.

And why would they then choose to direct it up towards Georgia, at an increased cost (where have we heard this before)? With all due respect to the people up in that area, the link to the 400 was closer, and serves a greater transportation need. Access to Georgia can be had along several roads - Bradford has one. It's also simply smarter to join 2 major highways, rather than just push one farther into commuting territory - which also happens to go against every Green/Intensification/Transit statement they make.

Scott Smith, Bradford

### Bond Head Committee thanks

To the editor: The Bond Head 175 Festival Committee would like to thank everyone who attended our special Osler Dedication ceremonies in Bond Head, on Saturday, July 13. First and foremost, we would like to thank

our enthusiastic volunteers - Bob Watt as Master of Ceremonies, Rev. Douglas Gay who performed the Sacred Smudging ceremonies, Jenni-Lyn Usher as the knowledgeable guide on the wagon tours, and Sarah Carand, who distributed the brochures for the Heritage Home Tour.

Thank you to New Tecumseth Mayor Mike MacEachern, Peter Koppin of the Toronto Medical Historical Club, Bradford West Gwillimbury Mayor Doug White and Deputy Mayor Rob Keffler, for participating in the Dedication - and to New Tec Councillor Donna Jebb and BWG Councillor Karl Hordyk for attending and representing their Councils.

We appreciate the work of the UCV of the Bond Head United Church, for the lunch, the music of grass rooters, and the wagon rides by John Hodgson.

Thank you to Joe Lotto, of BWG Leisure Services, for maintaining our website, and to the Town staff who made Bond Head look very attractive, with flowers and bannages, and who provided picnic tables and garbage cans for the event.

We thank these businesses for their important roles in our events - Luesby Memorial Co., Beveridge Tree Farms, Recognition Plus, Party Magic, BTBIA, Bradford Print Shoppe, Mike Meszaros and Fernagie Greenhouses.

We also appreciate the assistance of the Notawassa OPP, and the South Simcoe Police. With everyone doing their part, the result was a great success.

## Visit us for our Summer Home Owners Building Permit Extended Service Program

The Planning and Development Services, Building Division will be offering our home owners building permit extended service program this summer. This program will be offered on selected WEDNESDAY evenings throughout the summer. The Building Division will remain open from 4:30 - 7 p.m. on these evenings to process alterations and additions to single family dwellings. Permit applications will be accepted and processed by appointment. For applications which are simple and require no other approvals (such as zoning variances, conservation approvals, etc.), we will attempt to issue a permit while you wait.

In order to reduce the time you may need to wait during program, we will be serving applicants by appointment. Appointments can be made by telephone by calling (905) 775-5369 ext 1500. Appointments may also be made by applicants in person during Program hours. An appointment will be scheduled for that night if possible or a future program evening, however we encourage you to call for an appointment.

### WHEN IS A BUILDING PERMIT REQUIRED?

Under the Building Code Act a building permit is required for the construction of an addition or alteration to a building or the construction of a new building or structure over 10.0 square metres (108 square feet) in area. It is the responsibility of the owner to obtain a building permit. The following is a list of typical projects covered under our Programs:

• Additions • Porches • Decks • Carports • Garages • Interior Alterations • Swimming pools • Hot tubs

### WHAT INFORMATION IS REQUIRED IN SUPPORT OF A BUILDING PERMIT APPLICATION?

Building permit applications must be accompanied by plans/drawings (drawn to scale), clearly depicting the nature and extent of the proposed work. Typical drawing requirements include floor plans, framing plans, foundation plans, cross sections, elevations and a site plan. The level of detail provided in the plans must be sufficient for staff to review the proposal from the permit submission. This means providing enough information on the drawings to be able to construct the project from them. If you have any questions concerning the Home Owners Building Permit Extended Service Program, please contact the Building Division between 8:30 am - 4:30 pm; Monday to Friday (905) 775-5369 ext 1500

### Safe Student Accommodation 101: 10 Tips for a safe place to live

As students prepare to move into shared or rented accommodations to attend college or university, parents, guardians and students themselves should take an active role in finding a safe place to live. It is essential for caregivers and students to talk about fire and life safety. Whether returning to school or leaving home for the first time, a discussion about good fire safety practices can help to ensure this exciting time in a student's life is not marred by a fire tragedy.

### Living Safety 101 - What Every Student Should Know to Prevent Fire

1. Look While You Cook: Stay in the kitchen when cooking - especially if using oil or high temperatures. If a pot catches fire, have a proper-fitting pot lid handy to side over the pot and turn off the stove. Cooking requires constant attention. Distractions like televisions, cell phones, or computers can lead to a tragic cooking fire.
2. Candle with Care: If you use candles in your room or apartment, keep them away from anything that can burn and place them in a safe, sturdy holder with a glass shade or hurricane chimney. Place them where they cannot be knocked over and blow them out when leaving the room.
3. Keep An Eye On Excessive Drinking: Alcohol is a common factor in many fire fatalities involving cooking and smoking. Be aware of roommates and friends who have been drinking excessively, especially if they are cooking or smoking.
4. Smoke Outside: Establish rules for smokers. If you permit smoking inside, use large, sturdy ashtrays that can't be easily tipped over. Ashtrays should be emptied into a metal container not the garbage can. Check around furniture cushions after people have been smoking, especially if they have been drinking.
5. Use Electricity Wisely: Toasters, coffee makers and microwaves should be plugged directly into an outlet. If you must use an extension cord, buy one that is the correct gauge for the appliance and has a CSA or ULC approval mark on the label. CSA or ULC approved power bars may be used for stereo equipment, computers and lights.
6. Clear the Clutter: Keep things that burn away from heat sources like stoves, space heaters and electronic equipment. Tea towels and paper too close to burners can catch fire. Keep space heaters at least one metre away from bedding, furniture and curtains.
7. Working Smoke Alarms: It's the Law: Your room or apartment must have working smoke alarms. Test them monthly and notify the landlord immediately if they're not working. Dead batteries must be replaced right away. Nuisance alarms can be avoided by making sure smoke alarms are not located too close to the kitchen or bathroom. Consider getting a smoke alarm with a hush feature. Smoke alarms should be checked after any extended absence such as Christmas break and reading week. Never tamper with or disable a smoke alarm.
8. Plan to Escape: Know two ways out of your room or apartment in case of fire. Identify all exits and make sure you can use them. If you live in a highrise, familiarize yourself with the building's fire safety plan. If you discover fire, call the fire department from a safe location outside.
9. Be Equipped: To stay safe, all students should put together a package that includes a smoke alarm and carbon monoxide alarm, a battery powered lantern or flashlight and radio, extra batteries and a CSA or ULC approved power bar.
10. For further information on fire safety and prevention, call the Fire Prevention Division of the Bradford West Gwillimbury Fire Department at (905) 775-7311 Ext. 4103.

## Staples for Students

Not every child has access to needed school supplies, for the coming school year. A survey of teachers and educators estimated that 35% of school-aged children will be starting the 2013-14 school year without the supplies they need - and that for two-thirds of those students, the reasons will be financial issues at home. That's why, for an 8th year, Staples has launched "Staples for Students", accepting donations of school supplies at all of its stores, until Sept. 9, and working with partner charities to distribute the donations. At the Newmarket store, General Mgr. Ramzi Karim, left, and store manager Syed Raza will be working with the Salvation Army, and the Newmarket Optimists Club.

# iRally for Cancer, for Gilda's Club

It took 10 years of serious fundraising before Gilda's Club of Simcoe-Muskoka-Barrie - a social club for men, women and children living with cancer, and for their friends and families - could open its red doors.

Now the 10,000 sq. ft. home-like building at 10 Quarrie Ridge Rd. in Barrie offers programs and resources for cancer patients, and best of all, a place to relax and unwind. There's an art room, yoga room, sun-filled children's playroom, library, even a sound-proof "Teen Room" equipped with stereo equipment, TV and keyboard.

With comfortable seating throughout, an eat-in kitchen ideal for coffee and seminars, and donated artwork on the walls, it achieves the dream of the late Gilda Radner, in creating a support community for cancer patients and their families.

"It was worth the wait," says volunteer Linda Peacock.

"The biggest challenge now is to "keep the lights on" - signing up enough volunteers to run Gilda's Club, and the funds to keep the red doors open.

"Every dollar to keep Gilda's Club open needs to be raised in the community," says Deborah Lusemore, Managing Director, noting that the facility receives no government funding, to meet its annual budget of \$665,000.

When Gilda's Club first opened, it supported a community of 165 people. That number has now grown to about 800, coming from as far away as Owen Sound

and North Bay. Says Lusemore, "We expect to have 1,000 by the end of the year... and see no end. Three thousand people will be diagnosed with cancer in Simcoe County, in 2013."

On August 2, Gilda's Club received a boost and an \$8,500 donation from the organizers of **Itally for Cancer**. The Innisfil-based fundraiser, a Poker Run and Rally, silent auction and car show, took place June 8, at the Sunset International Speedway.

The event was founded by Laurie Budd, cancer survivor, and her team of volunteers, who were present at the cheque presentation. Budd thanked supporters for the success of this year's Itally for Cancer - especially Sunset Speedway. "They were great - the support we had from them

was phenomenal," she says - noting that the innisfil racetrack helped raise an additional \$2,000 for Gilda's Club, donating the proceeds of the Fan Appreciation Night on June 16.

"The local community, support from local businesses has just been out of this world. We can't thank them enough," Budd says, promising, "Next year, we're making it \$10,000!"

From right, Deborah Lusemore, Marianne Eriksen, TJ Adamson, Heather Jones, Laurie Budd with Danielle, 10, Donna Hamm, Samantha, 8 - and Gilda Radner.

## At the Steam Show

STEAM, from Page 1  
whistles.

Another highlight was the Ontario Truck & Tractor Pullers' Association sanctioned pull on Sunday, on the club's well-groomed track.

Pullers came from across Central Ontario, to compete in the Vintage, Farm and Modified Tractor categories, and the Hot Stock 4 x 4 and Pro Street Diesel Truck pulls.

The bleachers were filled with fans of all ages, who came to enjoy the sights, sounds and the excitement - and especially the Modified Tractors, capable of pulling over 10,000 lbs., that looked more like Formula 1 race cars on steroids than the familiar farm vehicles.

## Heritage Home Tour

The Bradford West Gwillimbury Local History Association is holding a self-directed Heritage Home Tour on Saturday, September 14, from 1 to 4 p.m. - featuring entry to 6 historic homes, the Auld Kirk church in the "Scotch Settlement" on the 6th Line, and a refreshment stop at the home of Ron and Christine Orr on the 4th Line BWG, overlooking beautiful gardens and the Holland Marsh. The Orrs are providing the refreshments as their contribution to this fundraiser for the restoration of the Auld Kirk church building, built in 1869.

Tickets are only \$15 per person, and will be available at the Bradford Farmers' Market, 425 Holland St. West on Saturdays from 8 a.m. to 1 p.m. - at Jan's Jams, Aug. 10, and at the History Association's booth Aug. 17-Sept. 7. Tickets can also be purchased at the Local History Association booth at Carrotfest, Bradford Print Shoppe on Artesian Industrial Parkway, Nancy's Nifty Nook at 152 Holland St. E., and The Pink Closet, in the West Park Plaza.

Volunteers are needed to assist with the Tour, welcome visitors to each home and hand out shoe bags, and initial tickets - ideal for students in need of Community Hours. For more information or to volunteer, contact Ann Campbell at [campbell\\_ann@rogers.com](mailto:campbell_ann@rogers.com)

## Graves discovered at Pioneer cemetery

The BWG Local History Association received a grant from the County of Simcoe, to employ ground-penetrating radar in a search for the graves at the Asa Stewart Pioneer Cemetery.

Little is left of the cemetery, located at the 10th Line and 10 Sideroad of Bradford West Gwillimbury. The site was identified by historian Andrew Hunter, in his 1909 History of Simcoe County, and included in the Tecumseh & West Gwillimbury Historical Society's book on Pioneer Cemeteries.

The BWG Local History Association retained Global GPR to conduct the sweep of the area on a rainy day in April, at a cost of about \$3,500. "It took them all day," noted historian Bill Marks at a meeting of the Association on July 27. "We found what appears to be a drainage area... and a building."

The radar also indicated that "at least 30 people (are) buried here... that have no records," Marks said. "I've looked everywhere (for information). I've tried."

Detailed mapping shows 43 graves within the burial area, and what has been interpreted as 10 possible headstones. The Association has approximately \$1,500 remaining of the original grant, and hopes to use the funds to install a sign at the cemetery. Applications have been filed for funding to employ ground-penetrating radar at two other cemeteries - at the Auld Kirk on the 6th Line, and the Scotch Settlement Presbyterian Church on the 5th Line - to identify gravesites.

## Report requested on Auld Kirk

Bradford West Gwillimbury Mayor Doug White has asked Town staff for a "specific timeline" to carry out needed repairs of the Auld Kirk. "To spruce up and protect this historically significant building." The BWG Local History Association has pledged to raise the funds for the repairs and restoration, but has also asked the Town to provide funding up front, to prevent delays in installing needed fascia and eavestroughing.

White asked for the report back "to have this dealt with at our next meeting" - which will be in September. The Town now owns the building, built in 1869.

# It's the Arts: Art Camp with the animals

Kids at the first Art Camp with the Animals, held at Wishing Well Sanctuary, with their Tribal Masks and hand-made Camp T-shirts. The Art Camp is a project of The Bradford Arts Guild, and Wishing Well Sanctuary, on the 10th Line BWG.

The Bradford Arts Guild and Wishing Well Sanctuary, on the 10th Line BWG, are partnering to offer kids under the ages of 8 and 12 a unique art experience this summer. It's an Art Camp, with a focus on the farm animals now sheltering at Wishing Well Sanctuary, saved from the slaughterhouse or a life of misery and maltreatment.

The first Art Camp took place July 29 to August 2. Twenty-one campers made t-shirts, candy, birdhouses and tribal masks, keeping Art Journals of their projects - and getting to meet the animals, from sheep and potbellied pigs, to horses.

## It's the Arts: Volunteers wanted

The Bradford Arts Guild is looking for volunteers to help with a number of upcoming events and initiatives. Interested? Please email [BradfordArtsGuild@gmail.com](mailto:BradfordArtsGuild@gmail.com) or call 905-392-7475. Coming up on Saturday, September 28 - Meadowfest Art in the Park event, at St. John's Presbyterian Church, 10 Sideroad and 8th Line BWG. Arts, Crafts, Food vendors, entertainment, workshops, face-painting. See [www.bradfordartsguild.com](http://www.bradfordartsguild.com) to register or for more information.

Volunteers are also needed to ensure that the new Neil Galsworthy & Specialty Gift Shop, at 131 John St. East

in Bradford, can stay open Saturdays from 10 a.m. to 5 p.m., Sundays from 12 to 4 p.m.

GALLERY 21 in Tottenham presents "Kaleidoscope - The Artists' Choice" - a display by 15 local artists of some of their favourite works, to Aug. 11. Located at 1 Queen St. N. in Tottenham; see [www.facebook.com/Gallery21Tottenham](http://www.facebook.com/Gallery21Tottenham)
